### DIFFERENTIATORS

- Nine Mind Solutions offer flexibility and a cost savings approach with contract or contract to hire and direct hire options. We offer cost effective savings while maintaining quality work, proactive optimization, and dynamic technology workflows. Let us be an extension to your workforce team in order for other personnel to focus on other needs of your organization.

### OUR PERFORMANCE

- Collaborated with other leading IT professional services firms to design, develop, maintain and protect hybrid-multi cloud computing environments
- Protect our partners' assets as they deliver IT services to their stakeholders by utilizing NIST Cyber Security Frameworks
- Committed to quality and excellence. Consistently meeting and exceeding our customer deadlines and production goals.
